

The **Illinois Center for Autism** is sponsoring monthly workshops specifically designed for siblings of children with developmental disabilities and mental health needs.

Sibshops are a spirited celebration of the many contributions made by brothers and sisters. These workshops are exciting events that offer support and information in a recreational setting for **siblings ages 7-11 years**. Sibshop participants will play fun high-energy games, learn about some of their siblings' experiences, participate in craft activities, and make new friends. Older sibs are welcome as well, mostly as volunteers. Parents are welcome too (though not required). The Sibshops will be held the third Tuesday of each month.

At

**Illinois Center for Autism
548 South Ruby Lane
Fairview Heights, IL 62208**

Cost/Registration: \$5 materials fee per sibling.

Pre-registration is required. Contact C. Lynne Luster (618)210-2676 (clynneluster@gmail.com) or register online at <http://www.team-c3.com/sibshop-registration.php>
